

Users' Workshop -  
South African Risk &  
Vulnerability Atlas

Wednesday, 17 June 2009

**DR REBECCA  
MASERUMULE**

Dr Rebecca Maserumule is an applied mathematician, employed by the Council for Scientific and Industrial Research (CSIR), since 2006.

She works as a senior researcher in the Natural Resources and the Environment business unit. She holds a PhD in Mathematics from Rensselaer Polytechnic Institute in Troy, NY USA. Her Master's was in Applied Mathematics with a specialisation in Fluid Mechanics.

Her research interests involve investigating the impact of climate change on water resources in South Africa using inverse modelling.
